Schneider Electric is leading the Digital Transformation of Energy Management and Automation in Homes, Buildings, Data Centers, Infrastructure and Industries. With global presence in over 100 countries, Schneider is the undisputable leader in Power Management – Medium Voltage, Low Voltage and Secure Power, and in Automation Systems. We provide integrated efficiency solutions, combining energy, automation and software. In our global Ecosystem, we collaborate with the largest Partner, Integrator and Developer Community on our Open Platform to deliver real-time control and operational efficiency. We believe that great people and partners make Schneider a great company and that our commitment to Innovation, Diversity and Sustainability ensures that Life Is On everywhere, for everyone and at every moment.

This to confirm that M/s. Salasel Electric Services (LV Switchgear Factory) has been using our LV Switchgear components, purchased through our official distributors M/s. AL Khoory Equipment Establishment LLC & M/s. AL Gurg Co. LLC in Oman for LV Panels manufactured by them.

All Schneider Electric products supplied by our official distributors are covered by Schneider Electric standard warranty, provided they are selected, installed & commissioned as per electricity regulations and Schneider Electric instruction manual.

This letter is valid till 31st December 2024 and Schneider Electric reserves the right to change or revoke the letter at any time. We are at your disposal, should you require any further clarification / information.

Best Regards,

Ahmed Fateen
Channel Commercial VP – UAE, Oman & Bahrain
